

Medicare Supplement

Indiana rate change

Effective March 1, 2024

Thank you for partnering with Wellabe to provide customers with insurance coverage that helps them be well protected. We'll always be here for you and your clients.

We're writing to inform you about a rate adjustment for a current product you can write in your state — Medicare Supplement.¹ The rate adjustment will be implemented for **renewals** and **new issues** with an application date of March 1, 2024 or later. Applications dated before March 1, 2024 will use the previous rates, even if the policy has a future effective date.

Effective March 1, 2024					
Plan A	Plan F	Plan F-HD	Plan G	Plan G-HD	Plan N
8%	9.5%	8%	8.5%	8%	3%

The factors in some geographic areas have also been adjusted. Generally, this is a neutral action, with some area factors adjusting up and others adjusting down.

An updated rate guide PDF will be available Feb. 15, 2023, on the agent portal. Log in by visiting wellabe.com/signin.
