

Medicare Supplement insurance that's got you covered

Introducing an affordable way to help pay your out-of-pocket Medicare expenses

A Medicare Supplement insurance plan helps you pay out-of-pocket expenses not covered by Medicare, such as coinsurance, copayments, and deductibles. When you enroll, you're getting an affordable plan with:

-  **Financial stability you can rely on** — Medico has an A (Excellent) rating from AM Best¹
-  **No pre-existing condition waiting period** — you're covered as soon as your policy is effective
-  **Freedom to choose** any doctor or hospital that accepts Medicare
-  **30-day right to return** that will refund any premium paid minus any claims paid
-  **A guarantee to renew for life**, as long as you keep paying your premiums²

1. An A (Excellent) rating represents the third highest of 15 possible ratings given by AM Best (March 2021). The rating refers to the overall financial status, and is not a recommendation of the specific policy provisions, rates, or practices of Medico Insurance Company. For the latest ratings, access ambest.com.

2. This is guaranteed as long as your premium is paid on time. Your premium rate is subject to change if a rate adjustment to all policyholders in the same plan, rate class, and state as yours is issued. Your premium will also increase with your age at the time of your renewal date.

- Only applicants first eligible for Medicare before Jan. 1, 2020, may purchase Plan F and High-deductible F.
- Up to \$20 copayment for some office visits and up to \$50 copayment for an emergency room visit that does not result in an inpatient admission.
- Plan pays a percentage of this benefit.
- Plans F and G also have a high-deductible option which requires first paying a plan deductible before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High-deductible Plan G does not cover the Medicare Part B deductible. However, High-deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.
