

Medicare Supplement insurance that's got you covered

Introducing an affordable way to help pay your out-of-pocket Medicare expenses

Medico® Insurance Company's new Medicare Supplement insurance was created to help you pay out-of-pocket expenses not covered by Medicare, such as coinsurance, copayments, and deductibles. When you enroll, you're getting an affordable plan with:

-  **Financial stability you can rely on** — Medico has an A (Excellent) rating from AM Best¹
-  **No pre-existing condition waiting period** — you're covered as soon as your policy is effective
-  **Freedom to choose** any doctor or hospital that accepts Medicare
-  **30-day right to return** that will refund any premium paid minus any claims paid
-  **A guarantee to renew for life**, as long as you keep paying your premiums²

1. An A (Excellent) rating represents the third highest of 15 possible ratings given by AM Best (March 2021). For the latest ratings, access [ambest.com](https://www.ambest.com).
2. This is guaranteed as long as your premium is paid on time. Your premium rate is subject to change if a rate adjustment to all policyholders in the same plan, rate class, and state as yours is issued.
